PUBLIC COMMENTS

Residents of Carmel Terrace: Harry Boadwee, Patricia Hawryluk, Andrew Harwryluk, Pat Keller,
Bev Sherylet-Youk, Carol Commendotore, Dalit Hod voiced their concerns and opposition to
discussions regarding Class I and Class II bike facilities on Carmel Terrace. Class III bike facilities
and a sidewalk gap closure would be the least disruptive improvement.

Resident Stacey Banerjee requested the BPAC to place on the BPAC's future agenda items a
discussion on pedestrian safety of the intersection of St. Joseph/Granger/Deodora.

ITEMS FOR CONSIDERATION/ACTION

1. Bicycle/Pedestrian Education – Events Planning

The events planning subcommittee provided an oral report regarding their work on bike/pedestrian
education events. Some of their ideas included holding a community event in the fall, where the
Silicon Valley Bicycle Coalition, Valley Transportation Authority and the Los Altos Police
Department can provide short presentations on bike/pedestrian education from the point of view of
their agencies. It was also suggested that a "Tip of the Week" be inserted into the City Manager's
weekly updates.

2. Bicycle/Pedestrian Education – Farmers Market Outreach

Staff provided an update regarding the resident turn out and education suggestions from the
Farmer's Market Outreach. The BPAC requested that two additional Farmer's Market Outreach
booths be scheduled in the August/September months.
